Hi, I'm planning doing a trip to Milano the following week.
What do you recommend, like a hotel?

21:09

Nice! How long will you be there? I can recommend a lot of
places but we should make a plan according to your time.

21:30

Oh, perfect. I'll be there from 5 to 10 of July.
I've visited the Duomo so that's not in my priority list.

21:31

Ok, perfect. Milano has a lot to offer so we can start the first
day in the morning visiting the open areas like parco
Sempione.

21:31

How long it takes from the train station?

21:31

Depending on the train station, where you came from?

21:32

From the airport, Milano Centrale station.

21:32

Ok then you will arrive and last 30 minutes more or less.
